????????? VoIP Grandstream GXP1760 IP Phone

Grandstream GXP1760 is a powerful mid-range HD IP Phone with new sleek design & moderate call-volume features. Offers a back-lit, 200x80 pixel LCD display and comes equipped with 6 lines, 3 SIP accounts, 6 dual-color line keys and 4 XML programmable soft keys. For added personalization, GXP1760 features personalized ring tone/ring back tone music and integration with advanced web and enterprise applications as well as local weather services. It's also one of the first Grandstream phones to come equipped with a Kensington Security Slot, one of the most popular anti-theft solutions on the market. Additionally, Grandstream GXP1760 supports fast connection speeds with 2 autosensing 10/100Mbps network ports as well as automated provisioning features with media access control. This midrange IP phone delivers outstanding performance and design to users worldwide at a budget-friendly price point.
