Description

????????? Alcatel IP70H one-touch button IP DECT

Alcatel IP70H one-touch button IP DECT Headset allows easy wireless call handling. It benefits from DECT technology & is fitted with a noise cancelling microphone to provide an outstanding sound experience & performance. Its range & talk time capabilities make it the ideal mobile communication tool. Comes with 3 accessory types to fit each user needs: an over the head band, an over the ear hook & a behind the neck band. Alcatel IP70H is the ideal tool to expand performances of Alcatel Temporis IP300, Alcatel Temporis IP301G, Alcatel Temporis IP700G, Alcatel Temporis IP701G, Alcatel Temporis IP901G and Alcatel IP2115.
