Description

???????? VoIP Grandstream GRP2612W Carrier-Grade IP Phone (with WiFi)

Grandstream GRP2612W is a powerful 2-line carrier-grade IP phone, designed with zero-touch provisioning for mass deployment & easy management. With sleek design & a suite of next-generation features, offers WiFi support, 16 virtual multi-purpose keys (VPKs), a color LCD with swappable face plates for easy logo customization, integrated PoE, HD Audio supporting all major codecs, including wideband codecs G.722 & Opus. Also includes carrier-grade security features to provide enterprise-level security, including secure boot, dual firmware images & encrypted data storage. For cloud provisioning & centralized management, GRP2612W is supported by Grandstream's Device Management System (GDMS), which provides a centralized interface to configure, pro vision, manage & monitor deployments of Grandstream endpoints. Built for the needs of desktop workers & designed for easy deployment by enterprises, service providers & other high-volume markets, Grandstream GRP2612W offers an easy-to-use & easy-to-deploy voice endpoint.
