### Description

## ????????? VoIP Grandstream GXP1610 IP Phone (without PoE)

Grandstream GXP1610 is a simple and affordable, entry-level IP Phone delivering a user-friendly VoIP calling experience. Supports a single SIP Account (1 line), 2 call appearances and 3-way voice conferencing, enhancing business productivity. Furthermore, offers a 132 x 48 pixel LCD display for easy viewing, HD Audio, 3 XML programmable soft keys for customization, 10/100 Mbps ports, EHS support for Plantronics™ headsets and multi-language support. These features allow the GXP1610 to be a high-quality and easy to use IP phone, ideal for any business or residential user.

### Key Features & Benefits:
