### Description

## ????????? VoIP Grandstream GXP1782 IP Phone

Grandstream GXP1782 is a powerful mid-range IP phone with advanced telephony features offering 8 dual-color line keys, 4 SIP accounts, 4 XML programmable soft keys, 5 navigation/menu keys, 8 dedicated function keys plus a 200x80 pixel back-lit LCD display. For added personalization the GXP1782 features personalized ring tone/ring back tone music and integration with advanced web and enterprise applications as well as local weather services. It's also one of the first Grandstream phones to come equipped with a Kensington Security Slot, one of the most popular anti-theft solutions on the market. In addition GXP1782 enables fast connection speeds supporting 2 auto-sensing Gigabit network ports and automated provisioning features with media access control. Grandstream GXP1782 is the perfect fit for users looking for a featured-pack IP phone that delivers high-performance & design at an affordable price point.
